Win at Checkers by Millard Hopper - Goodreads

Originally Answered: What is the secret to winning in checkers? Two things seem to be pretty important one is learn to recognize potential threats and the other is to not study books too hard as the people you will often be playing against aren't going to make the best move possible each time so learning how to handle unexpected situations are important.

What are strategies for winning checkers? - Quora

But we believe that How to Win at Checkers is one of the most thorough books for beginners ever published, and so it delights us to be able to put into circulation this newly-typeset electronic edition, with clear diagrams and an easy-to-read layout, free of charge, for the entertainment and tuition of checkerists around the world.
