Tests don't create themselves — faculty spend hours writing exams each year. But if you still haven't taken the plunge into writing multiple choice exam questions, starting from scratch can be a scary concept. I come to the office with heart palpitations just thinking about it (BP of 150/90, HR 110bpm).

## **10 Tips for Writing Multiple Choice Exam Questions**

Questions 1 - 10 are multiple-choice questions designed to assess your ability to remember or recall basic and foundational pieces of knowledge related to this course. Please read each question carefully before reading the answer options. When you have a clear idea of the question, find your answer and mark your selection on the answer sheet.
